Read:- Statement of Famine relief programme of village works in the Sandur State received from the Political Agent for Sandur State, No. Nil, dated the 3rd July 1923.

R E S O L U T I O N.

In the programme of famine - relief works for the Sandur State for 1923-24, provision is made for 4,56,091 units as in the preceding year, which will afford employment to 20 per cent of the population for 6.5 months. The provision is adequate.

2. The estimates for all the works included in the programme have been sanctioned. Village works consisting entirely

of road works represent nearly 88 per cent of the total provision. An abstract of the programme is appended to these Proceedings.

The Political Agent has certified that the programme is in such a condition as to allow of test or relief works being opened immediately, should necessity arise and that the estimates for all the sanctioned works have been brought up to date.

4. A copy of the review will be submitted to Government with reference to rule III of the rules appended to G.O. No. 441 Revenue, dated the 12th February 1913. (J)
